PAST PERFORMANCE IS NO GUARANTEE OF FUTURE RESULTS. The performance data quoted represents past performance and the current performance may be lower or higher than the performance data quoted. The investment return and principal will fluctuate so that investors' shares, when redeemed, may be worth more or less than their original cost. The performance data does not reflect the deduction of taxes that a shareholder would pay on Fund distributions or redemption fees. The Funds charge a redemption fee of 1.00% on shares redeemed or exchanged within 90 days; if reflected, the redemption fee would reduce the performance data quoted. To obtain performance data current to the most recent month-end please call 888.200.4710.

Investors are asked to consider the investment objectives, risks, charges and expenses carefully before investing.
