FBR Fund Advisers, Inc. has agreed in writing to waive a portion of its investment advisory fees and assume certain expenses of each Fund to the extent annual fund operating expenses exceed 1.00%, 1.10%, 1.20% of the Large Cap Fund, Mid Cap Fund and Small Cap Fund, respectively and 1.70% of the Focus Fund, Small Cap Financial Fund and Technology Fund's average daily net assets (excluding interest, taxes, brokerage commissions, acquired fund fees and expenses, extraordinary legal expenses, or any other extraordinary expenses), except the Balanced Fund and Core Bond Fund. With respect to the Balanced Fund and Core Bond Fund, the Adviser has agreed in writing to waive a portion of its investment advisory fees and assume certain expenses of the Fund to the extent annual fund operating expenses exceed 1.08% and 1.05%, respectively, of the Fund's average daily net assets (excluding 12b-1 fees, interest, taxes, brokerage commissions, acquired fund fees and expenses, extraordinary legal expenses, or any other extraordinary expenses). The Adviser has agreed to maintain these expense limitations with regard to each Fund through February 28, 2015.

### PAST PERFORMANCE IS NO GUARANTEE OF FUTURE RESULTS.

The performance data quoted represents past performance and the current performance may be lower or higher than the performance data quoted. The investment return and principal will fluctuate so that investors' shares, when redeemed, may be worth more or less than their original cost. The performance data does not reflect the deduction of taxes that a shareholder would pay on fund distributions or redemption fees. The Fund[s] charge[s] a redemption fee of 1.00% on shares redeemed or exchanged within 90 days; if reflected, the redemption fee would reduce the performance quoted. To obtain performance data current to the most recent month-end please call 888.200.4710.

- 1 - The non-diversified nature of the Fund may subject investors to greater volatility than other diversified funds.
- 2 - Fund investments are focused in the financial services industry, which may be adversely affected by regulatory or other market conditions, such as rising interest rates.
- 3 - Fund investments are focused in the technology sector, which may be affected by developments in the technology industry and its related businesses.
- 4 - Investing in mid- and small-cap companies can involve risks such as less publicly available information, higher volatility, and less liquidity than in the case of larger companies.
- 5 - The Fund is subject to risks associated with credit and interest rate changes due to investments in fixed income securities (when rates rise bond/fund prices generally fall). The Fund may invest up to 10% of its assets in high yield ("junk") bonds, which are more at risk of default than other bond investments and are subject to liquidity risk.
- 6 - Represents the performance of the Institutional Class shares after May 30, 2008 (inception of the share class) and Investor Class shares for periods prior to that date.
